Laughter, knowledge and disbelief all in one go - love it!

By Miss Stephanie G Burton

I was given this book as an early birthday present from a friend last week and I literally haven't put it down! James Egan is a great author, I loved the last book I read '365 Ways to Stop Sabotaging Your Life' and this book is just as enjoyable. You'd never believe there were so many things in life that you could swear were true but are complete nonsense! Such a fun book - amusing, content rich and very informative. 5 stars :)
