About the Author

Pamela Butchart (Author) As a child, Pamela was lucky enough to grow up in a house full of pets, have a mum and dad who were bonkers, and go to The Best Most Awesome Primary School in the World™. As a student, Pamela's student jobs included: fishwife, teaching basketball in America, phlebotomist, and Artist Liaison for a (really bad) Abba tribute band. Now, Pamela teaches philosophy to teenagers and spends all day pondering questions such as, 'Is time travel possible?' and 'How do I know I'm not really a robot?' The stories write themselves really. Pamela lives in Dundee with her husband, Andy and their two cats, Bear & Carlos. Carlos only has one eye and is Pamela's hero. Thomas Flintham (Illustrator) Thomas Flintham studied BA Fine Art at De Montfort University and in 2009 he graduated with a distinction in his Masters degree in Illustration at Camberwell College of the Arts, South London. Thomas works digitally, drawing straight into his computer with his Wacom tablet, and in the old fashioned way on paper with brush and ink and drawing pens. He loves to draw and doodle. He has a very loose grip on reality, and enjoys disappearing into his own imagination in search of new characters, worlds and ideas to draw. His work is influenced by his interest in all kinds of books, films, comics and Japanese video games. He loves Christmas and chocolate. He owns (almost) too many books.
