Egyptian Queen is beautiful

By Amazon Customer

I bought this book at a book fair and I had to come on Amazon and share my review. I have been coloring in this book daily and have enjoyed doing so. The images are nice and I can see that a lot of thought was put into creating this book. I can appreciate a good book and you will too once you experience this book.

Spiritual

By Asia2lynn

This coloring book opens up a new realm of spirituality. With a theme of one of the first thriving civilizations you are drawn to the dynamics of the culture. I love this series coloring books.
