How if your day is begun by reviewing a book **God In My Corner: A Spiritual Memoir By George Foreman, Ken Abraham** Yet, it remains in your gadget? Everyone will certainly consistently touch and us their device when getting up and in morning tasks. This is why, we mean you to additionally review a book **God In My Corner: A Spiritual Memoir By George Foreman, Ken Abraham** If you still perplexed the best ways to get the book for your gizmo, you could adhere to the way below. As right here, our company offer **God In My Corner: A Spiritual Memoir By George Foreman, Ken Abraham** in this site.

From Publishers Weekly

In his spiritual autobiography, Foreman writes, "I have God in my corner." He hopes the readers who take to heart his "tips from George's corner," found at the end of each chapter, will, too. In this book—part autobiography and largely a testimonial and spiritual inspiration—Foreman, well-known heavyweight boxing champion, businessman and preacher, leads readers through steps for living a godly Christian life. His book gives some autobiographical details, including his younger years, a few stories of his fights and most powerfully his experience of being born again after a boxing match he lost to Jimmy Young. Those stories serve to illustrate his theology, covered in short chapters that read like sermons. He exhorts readers to inspire others to excellence, answer the door when opportunity knocks, close it when temptation knocks, advance through adversity and so on. Foreman credits God with his remarkable successes throughout the book and ends it with an altar call, inviting readers to meet him in heaven someday. Non-Christian boxing fans probably won't find enough about boxing or Foreman, but evangelical Christians who admire Foreman's many good works will find the book inspirational. (May 22)

GOD IN MY CORNER: A SPIRITUAL MEMOIR BY GEORGE FOREMAN, KEN ABRAHAM PDF

Everyone needs a second chance, even if your name is George Foreman.

"My second chance arrived unexpectedly in a Puerto Rican dressing room after a heavyweight boxing match. What happened to me in that room is so incredibly bizarre, it's unlikely you've ever before read anything like it. Simply stated, I died and went to the other side. The experience impacted me so profoundly that three decades later I can't go a single day without thinking about it."

A childhood in grinding poverty. Two heavyweight boxing championships – twenty years apart. A life-changing encounter with God. A new life devoted to ministry. An inspiring comeback and then astounding success as an entrepreneur and trusted product pitchman.

For the first time, George Foreman tells the whole story of his remarkable life. With the frankness, warmth, and humor you expect from Foreman, he shares the faith journey that has shaped his life, offering many life lessons along the way.

- What are the secrets to George Foreman's inspiring success?
- Why is he always smiling?
- Why did he name all five of his sons George?

There is no one quiet like George Foreman. *God in My Corner* explains why. More importantly, it will open your eyes to the reality that God is there in your corner, just as He's been there for George all these years.

George Foreman's Spiritual Autobiography!

By Russe J.

George Foreman begins his story when his favorite nephew had a seizure and was in a coma the doctors told his sister their was nothing they could do other then pray. George Foreman told his mother to tell the doctors he was George Foreman World Heavyweight Champion and he would pay to send in the best doctors. His mother gave him the same response that all he could do was pray so he got out of bed three different times and prayed three different prayers his last one being "If you are God take my life". His Nephew ended up surviving walking and talking. Later after a boxing match George Foreman's life was nearly taken when he met God. He began preaching and started a Youth Center for troubled kids and that is when he won the World Heavy Weight Championship title a second time raising money for the youth center. I would also reccomend By George his autobiography there is no profanity in his books. Thank you for taking the time to read this review!

Author & Book Views On A Healthy Life!

Book Review: *God In My Corner: A Spiritual Memoir* (Thomas Nelson Publishers, 2007) by George Foreman, written with Ken Abraham.

George Foreman, Olympic Gold Medalist, Entrepreneur, two-time Heavyweight Champion, Father, Benefactor, American, Rancher, Pastor, and Author, has published *God In My Corner: A Spiritual Memoir*.

Society, no matter what its generational age, will remember Mr. Foreman, also known as Big George, for his unique public life. Mr. Foreman is no closed book; his life - ups, downs, and accomplishments have been preserved for the benefit of future young people through television and the printed word. Born without a silver spoon, Mr. Foreman completed his financial, spiritual, and athletic journeys with all eyes on him. "I'm probably one of those few people in the world who has gone from rags to riches to rags and back to riches again. Having grown up in extreme poverty, I became a millionaire, and then went bankrupt. Now I'm better

off than ever."--George Foreman

God In My Corner: A Spiritual Memoir is the revelation of the deepest part of George Foreman's inner spirit. It delves into the influence of his poverty-stricken childhood, the development of his boxing career, and the life he lived before accepting Jesus Christ as his Savior. Recounting his death experience and Christian conversion, Mr. Foreman continues his life's story about what he's chosen to achieve with the second chance at life. He attributes his success to his new found faith in God, and strives to live each day as a positive Christian role model for all to witness. Today, Mr. Foreman is an ordained minister and the pastor of The Church of Lord Jesus Christ in Houston where he preaches twice a week. As a benefactor, he founded and funds the George Foreman Youth Center, putting his money into a project that helps kids both physically and emotionally.

God In My Corner: A Spiritual Memoir opens the hearts and minds of readers through the honesty of George Foreman. Though he's stunned the world with his success in sports and business, he states, "Too many people are reaching for the stars and forgetting about the church. Don't let any opportunity lead you away from serving God. That's a price that's too high to pay." Spoken like a man who has been there and done that, Pastor Foreman offers positive lifestyle-reinforcing "Tips From George's Corner" at the end of each chapter. Unlike many in the spotlight, Pastor George has written openly about the mistakes he's made and how he's changed his life for the better. His goal is to not just have God in his corner, but to help others see that God can be the support system everyone needs.

Recently, my family endured several hits in life. They eventually happen to us all--illness, death, financial destruction, accidents. It was during this time that my husband and I read together God In My Corner. Laughing at Mr. Foreman's humor and thinking, 'He's right about life,' it helped us persevere through some of the darkest days we've had. Refreshing, motivating, and positive--a second chance in life, like George Foreman, is what we all need.

A Touching Spiritual Memoir

By Zachary Koenig

Despite being a Christian myself, I am often a bit skeptical when athletes claim they have found the good Lord (as that claim is easy to say, not so easy to live). However, after reading this spiritual memoir by George Foreman, I am convinced that he truly has turned his life over to God, and that transformation is as fascinating as it gets.

Fans of classic boxing will remember Big George as one of the meanest, most ferocious heavyweight champions of all time. Yet, at nearly the height of his boxing fame, George (in the book) recounts a near-death experience sent to him by God that changed his life forever. Instead of letting his anger control him, George learned (though not without many trials) to trust in the Lord and serve the higher power. As a result, he believes, the Lord led him to make a comeback to boxing in his 40s and become the oldest heavyweight champion in the sport's long history.

Not only is Foreman's story interesting, but its principles can also be applied to the lives of every living human being. At the end of each chapter, George recaps the key points in easily-understood language, enough so that it can reach born-again Christians or those skeptical of religion altogether.

Overall, this book is very useful in serving two purposes: First, for more "advanced" Christians, it shows

that, despite being difficult, the Christian battle can be won. Perhaps most importantly, though, it shows non-Christians how completely a life can be turned around for the better, as Foreman went from essentially a street thug to a servant of the Lord.

So, if you are waning in your faith and need a pick-me-up, or want to see the results of living a Godly life, George's cheerful attitude is just what you have been looking for!
