## Discover The Heart of God

By Robert Overall

If I were to tell you that the love your husband or wife has for you is perfect, that it's a vast endless ocean of intimate moments filled with fiery passion and there was a way to unlock, discover and live everyday of your life in this place would you go there? Take that journey? I would and I think you would too! I enter this place everyday only it's within the pages of the Bible where God's love for us is contained. Thanks to Chaim Bentorah we who live on that "Tiny Blue Dot" can discover that the pages of the Bible contain the reality of the experience we can have in the eternal presence of God, which exists now. That endless vast ocean of intimate passionate love God has for us is a reality made plain when you travel through the "Looking Glass" of Chaim's work.

American's are in love with their cars, any car. We love our cars. The bonus here is the vehicle Chaim travels in to get to the Land of God is Holy Spirit. We get to jump into the car (Holy Spirit) with him (Chaim) and go. This is a place you don't want to miss.

Chaim's books are expertly written. Within the pages he explores the history and culture of ancient languages, their alphabets, grammar and translation we have in the modern Bible today. In addition to all this effort he shares forty years of study and research of ancient commentary from the progenitors of Biblical history handed down to us otherwise unavailable to the average person. Chaim draws from a vast library of resources puts it all under one cover and leaves no precious gem uncovered. This alone is an amazing concept for a book.

VERY good! I have read several of his other writings ...

By Mark D Mathews

Just received my new book "Hebrew Word Study" and it was exactly what I expected, VERY good! I have read several of his other writings and this too is a gem. If you have ever wondered what is beyond the technical meaning of a passage or word in your BIBLE reading, Chaim takes you on a journey that leads to straight to GOD's own heart. It is very easy to understand and follow. Written in a style Chaim has perfected over the years. I truly enjoy this book and his daily devotional reading. It has inspired me to dig deeper into the Word of GOD and see HIS heart in all I do.

Get It and See

By Paul DuBois

As Phillip told Nathaniel " Come and see" , I must say "Get it and see". See what kind of relationship is possible when you seek the heart of God.

Chaim's writing will help you realize that you can have a very personal communion with God because he deals with us individually and longs to have your fellowship.
