Wonderful and inspirational story

By Mary L. Hilterbrand

Brilliant story!! "Jonathan: A Lamb's Tale" is filled with wonderful parallels.

Jonathan, made a choice without understanding the consequences. A young boy that recognized the lamb's need and the family helped 'bridge the gap' and put him in a position to see and hear the shepherd, who had been looking for him. WOW what a great analogy!!

This positive story is great for all ages. This book will make a great gift or addition to your family library.

I especially appreciated the caring assistance of the young family... Way to go Issak and Kya... Kellye - keeping writing!

I wholeheartedly recommend "Jonathan: A Lamb's Tale" by Kellye Hoyt.

A Lamb's Tale

By Mack Lawson

The story is a beautiful parallel drawn from the classic biblical story of the lost sheep and the shepherd who goes looking for him. A Lamb's Tale is full of wonderfully drawn analogies with a carefully painted picture with many valuable lessons that sometimes can be difficult to communicate to children. This book makes a great "story-time" book for children and beautiful illustrations help capture the children's minds as well. Jonathan: A Lamb's Tale is a great story with a wonderful purpose.
