Inspiring

A true story of survival and courage. This was a quick and easy read. A lot of the story was repeated throughout the book which was probably the only thing I didn't like as it dragged on a bit. Overall it was inspiring.

A very touching story

By Judith Kennedy

A wonderfully kind and generous couple for adopting two homeless Indian children. Saroo was very fortunate in the kind people he came in contact with and he showed great perseverance in tracking down his original home. I would highly recommend this book.
