Follow God's Financial Plan and be Blessed!

By Lynn Wilson

Rave Reviews for Morris Cerullo Financial Freedom Bible! Everything this ministry does is excellent. The leather is fine leather, very smooth, the pages are thin and gold-edged, but mostly the contents on financial revelations is amazing. They are truly words to live by and to be greatly encouraged by. I recommend this Bible to everyone who wants to know what God thinks about money, how to manage money, who gets the first bit out of your paycheck and why, and how to prosper in a teetering world of financial unrest. You will be blessed if you follow the wisdom of this wonderful man of God, whom we call "Papa" because of his love to all of us over the years. His walk with God is truly amazing - a man in his 80's now - over 60 years of ministry and still going like the mighty "General in God's Army that he is.

I own one and am very impressed!

By Pops

It is exciting to see this Bible available on Amazon at such a great price! I own a copy and I have to say this Bible is really impressive with it's practical, easy to use study tools, commentary, faith declarations, business principles, Dr Cerullo's prophetic insights and Biblical financial principles from over 60 years of ministry. I don't think there is another Bible available that highlights EVERY scripture dealing with finance from Genesis to Revelation, and teaches you how to apply God's principles for finance to your everyday life. I wholeheartedly recommend it!
