Helpful study guide. Highly recommended.

By Charles W. Maas

The title appropriately describes this book. You can order it at NBC.com if you wish, or here. The NBC web site has a lot of information

about the series and you can watch entire episodes there if you missed an episode and didn't tape it. Our pastor has worked with the production team, Roma Downey and Mark Burnett, and was invited to the filming site in Morocco. He is very positive and our church is quite involved.

The study guide gives scripture readings, information to review before each episode including pictures of the actors and their Biblical backgrounds, personal application suggestions, and even has discussion questions. There is a leader's guide at the end of the book with helpful suggestions for those wishing to lead groups. I am sending copies to my daughters and their families and our small group will be using this book. Don't wait to order it
