Pembroke Welsh Corgi: Your Happy Healthy Pet, with DVD

By Patsy Thompson

This is a great "owners manual" for any new Corgi owner. It's concise and full of what-to-expect information. Everything from how to choose a breeder, how to bring a new puppy in to your home, what to expect at every stage and phase to the most common ailments of the breed.

Corgies Rock!

By Phil Flyer

I have & absolutely love a 3 year old Pembroke Welsh Corgie! Every bookstore or petshop I go into I find the same old books on corgies. Never any new stuff.....until this book. This book has some new info those other books don't, and has good pictures too. Nice to finally find some new and fresh material. If you have, want, or are considering a corgie, I definately recommend this book!

Excellent book, with lots of info and great pictures

By MikeC

Excellent, readable book, with nice hard cover and with lots of info and lots of great pictures of my favorite breed. The DVD is also useful, although I wish it were closed-captioned for us hearing-impaired folks.
