People open Satanic Doors in the past and forgets to close it.

By Pastor Nadine Anderson

This book teaches you how to go back and close satanic doors that was open by yourself, an ancestors or others on your behalf. Sometimes we think when we become a christians these doors are closed for us but they are not closed until we recognized them and close them ourselve to stop curses and affliction of the enemy in or life. If you know that you had a family member or yourself or spouse was involved in witchcraft or magic then there is an open door that needs to be closed and this book helps you to close these doors and to appy the blood of Jesus.
