In a timeless love story, the perfect Yogi meets the perfect Yogini. Will they be able to embrace the perfect destiny... or will the world create obstacles, not having understood perfect love?

Exquisite and luminous

By Randhir Bhan

From the Siva of the epics to the Siva of Non-Duality of Kashmir Shailendra Gulhati takes you on a mystical journey to the Siva that you are. This book will come as a caress from someone you may think have known for a long long time. A gentle yet exquisitely layered book that is so very humble. This book will wet your feet for a journey of discovery if you choose to or will enthrall you if you choose to stay. Either way its a treat to savor.

Kashmir Shaivite Poet graces the English Language with his Quill

By Amazon Customer

Shailendra is one of the foremost English Language Writers in his Native Jammu.

But his work is especially important because of his Authentic Kashmir Shaivite Flavor. Mentored by none other than B.N. Pandit - one of the Last great Kashmirian Kashmir Shaivite Scholars of the Past Century, this work is a curious and exotic mixture - based on his copious readings in English Literature - and especially Blake looms large - with the Author's Own Mystical Insights from his Shaivite leanings.

Highly readable, with a deliberate limitation to everyday English, profound yet simple.

This book is Sahitya Academy Award Stuff.

It is rare and wonderful to find a confluence in life that connects you ...

By Masoom Hamza

It is rare and wonderful to find a confluence in life that connects you with all legends and the present thrill of knowing you are part of a fantabulous creation....ONE that is historic and present , and with ONE message.....Love....Shailendra, once again, captures that spirit , that inner spark, which lights up our existence. This book is an introduction of what lies within us, deep , radiant, and throbbing to come alive... It is a mystical journey. He helps us skip as we walk our path...A marvellous journey it is ...reading it with an open mind, leads us to our own inner voice buried in the heart. Quoting a bit ."When you suddenly feel the text is about yourself that is when the beauty of the spiritual journey will fill you with its magnificent flavour,"
