**SLOW BURN By Nicole Christie.** Modification your habit to put up or squander the moment to only talk with your good friends. It is done by your everyday, do not you feel bored? Now, we will reveal you the brand-new behavior that, really it's a very old practice to do that can make your life much more certified. When really feeling bored of always chatting with your friends all spare time, you could find guide qualify SLOW BURN By Nicole Christie then read it.

As understood, adventure as well as encounter regarding lesson, home entertainment, and understanding can be gained by only checking out a book SLOW BURN By Nicole Christie Even it is not straight done, you could recognize even more regarding this life, regarding the globe. We offer you this correct and easy method to acquire those all. We offer SLOW BURN By Nicole Christie and also many book collections from fictions to scientific research at all. Among them is this *SLOW BURN By Nicole Christie* that can be your partner.

What should you assume a lot more? Time to get this [SLOW BURN By Nicole Christie](#) It is simple after that. You could just sit and also remain in your area to get this book SLOW BURN By Nicole Christie Why? It is on the internet book store that provide numerous collections of the referred books. So, simply with web connection, you could delight in downloading this publication SLOW BURN By Nicole Christie and also numbers of books that are hunted for currently. By checking out the link web page download that we have actually offered, the book SLOW BURN By Nicole Christie that you refer so much can be discovered. Merely save the asked for publication downloaded and after that you could enjoy guide to review every single time as well as area you want.

# SLOW BURN BY NICOLE CHRISTIE PDF

Contains mature/adult situations and language. For readers 17 and older.

It's the beginning of senior year, and seventeen year old Juliet Somers has made the rash decision to transfer to her boyfriend's school in an effort to spend more time with him. Sexy bad boy Johnny Parker is a legend at Leclare Academy, and Juliet still can't believe that an average girl like her was able to tame his wild ways. She can't wait to start her new school with him by her side.

But one night, Johnny's self-destructive habits lead to a stunning betrayal--and Juliet realizes she's made a huge mistake. Now she's stuck at a school where she doesn't fit in, and all the girls seem to hate her guts. Even worse, Johnny is determined to get her back, pulling crazy stunts to win her forgiveness. Juliet is resigned to being an outcast for the rest of her senior year, with no friends, and no clue what she wants to do with her life.

Things start to look up when she gets to know some of Johnny's friends, and finds that some of them are really good guys. With the help of an unlikely ally at her side, Juliet begins to think her situation is not as bad as it seems. As the school year rolls on, she opens herself up to new experiences, makes some huge mistakes, and discovers things about herself she's not sure she likes.

Juliet resolves to stay strong against Johnny's seductive tactics, but it's becoming increasingly harder to deny she still has feelings for him. Will she risk her heart to him again--or will a hot contender manage to sweep her off her feet?

LOL funny

By Shirley

I loved Juliet! She was feisty and funny. Her thoughts and comments were HILARIOUS. I want to quote so many lines but don't want to spoil it for you guys. My favorite scene was the beach scene where she was eating a chocolate bar.

All the characters really stood out and were interesting in their own right. My only "complaint" would be that I wished there was an epilogue (or more with her and the H).

My book barometer (in case there are others who want to know)...

-No cheating by h/H

-No stupid misunderstanding that got dragged too long and/or because the h/H were too dumb to communicate (Juliet was awesome about this - she confronted, she trusted, she believed)

-A sort of "love triangle" that was done right; ended right. Normally, one part of the triangle would easily move on to another person and all is settled; I loved how this was "resolved" - HOT

-And finally! No cliffhanger! There's a HEA!

Looking forward to reading more Nicole Christie books. Her other one - Falling for the Ghost of You - was funny too and the reason why I bought this with ZERO reviews online. So glad I took the risk.

Couldn't stop reading it

By Book Fanatic

Starting off a review by comparing it to another book feels like cheating, but if you're like me, I like to know what I'm getting (at least a little bit ...). I thought this book was a bit like Tijan's Fallen Crest series, which I really like, but this one captured me even more. Probably because there is a bit more character development and less of the parental turmoil.

It didn't end in a cliffhanger (dislike those intensely), but did leave room for other books about the main and supporting cast. I thought the heroine Juliet was strong and funny and the heroes (yes there are two) were very distinct personalities and, for those who care about these things, yes, both were HAWT. While I can appreciate the comments about her decision-making, I felt the tone rang true for someone of her teenage years. The book is written in the first person and I loved Juliet's inner dialogue. I laughed out loud a few times (think Jillian Dodd's That Boy) which is always a barometer for intelligent writing.

I read a lot, but write very few reviews. When I come across a new writer, though, that makes me want to read the entire book again after I've just finished - that requires me to get busy and start writing.

A MUST READ

By Reader

I read the author's other book Falling For The Ghost Of You. I loved that, so was keen to read more of her work

Juliet Somers has transferred to Leclare Academy to be near her boyfriend Johnny Parker, all round bad boy and star of the football team. Juliet can hardly believe that an ordinary girl like her has caught his attention. But then Johnny lives up to his reputation and betrays Juliet. So for her that's it they're finished. But Johnny has other ideas and is determined to win Juliet back. His crazy stunts are at times funny, but sometimes just embarrassing.

She hates being at the new school, she's broken up with Johnny and the other girls, mostly the cheerleading squad try to make her life miserable. She does make friends with some of the other guys on the football team, mostly through her cooking skills!

Juliet at times is in a bit of a turmoil she can't forgive Johnny. But she still has feelings for him. But she does have another friend who is very supportive.

I liked this story, there's never a dull moment. There are a whole host of side characters who all have their own part to play they are very well fleshed out.

Juliet is a likeable character, though at times she did grate on me a little bit. As for Johnny I had a love/hate ting for him. He was his own worst enemy.

This is a fast moving and emotional read with a bit of angst and drama thrown in as well. There's a whole lot more to this story than I expected when I started it.
