Getting unstuck

By Joe Tye

If you find yourself stuck and procrastinating this book will give you the inspiration to give yourself permission to move ahead without using perfectionism as your excuse for inaction. A valuable complement to Steve Pressfield's indispensable book The War of Art.

Piece Missing?

By Pat Moyer

The book isn't available in print evidently. I purchased the CD which makes reference to the "accompanying book" which was not included. I'm confused. Is the CD included in a book? Don't see it. Great info on the CD but would like to be able to see the material he refers to in the book on the CD.

I give this a heartfelt 80%!!! This ...

By Robert means

I give this a heartfelt 80%!!! This has helped me (a perfectionist) do so much more. Now whenever I feel any type of pressure, I think of the 80% approach. Can I delegate? Did I give it 80%, instead of 100%. I get things done, and move on much quicker.
