... a vision he had of the final battle between good and evil

By Jennifer Thompson-Thalasinis

The Final Quest by Rick Joyner is based on a vision he had of the final battle between good and evil. Somewhat of an allegory and somewhat like a near death experience this book looks at how Yeshua sees us and how we see ourselves on earth. And shows us how we can be so much more! What I particularly liked was the parts about recognizing those you lived in heaven...that those relationships continue.
