## THE OFFICE WIFE BY MIMI WILDE PDF

15000 word novella contains office sex, group sex, oral, anal, and reluctant. For adult readers.

Marcie has never heard of such a thing as a contract to become a substitute wife and it's even more shocking coming from the real wife of her attorney boss. It's very simple. She needs to care all her boss's needs at work. Some of those needs are pretty kinky. It also involves being shared with the boss's partner. Marcie should say no. But she doesn't.

If you enjoyed this story, check out Mimi Wilde's GIVING AT THE OFFICE. Three stories about women who can't help giving to their boss.

Two Stars

By Surgiphleb

okay storyline, but the secretary is WAY too easy

20 of 22 people found the following review helpful.

Ok story, sh\*t editing

By Celeste Thayer

The story flowed well enough, considering that it was a short piece of erotica and there's not a lot of time for character building in such a small space. There was a plot that, while based on a somewhat out-there premise, seemed reasonable enough that I could suspend disbelief. The sexy parts were slightly kinky, though not excessively so - they leaned more towards swinging, mild humiliation/verbal abuse, and semi-consensual/non-consensual rather than leather, whips, and chains.

But the editing! Oh, the editing. I think they had somehow used find and replace to fix some minor problem, without realizing that they had replaced the word "her" with "me" over and over and over. It's immensely confusing to see "and she put me hand on me clitoris" or some other similarly jumbled disaster of a sentence.

5 of 5 people found the following review helpful.

Did anyone proofread this thing?

By Amazon Customer

This was terrible. The premise had some promise, but it was rushed, and the extreme lack of editing made this almost impossible to read. The word "me" was used in place of pronouns repeatedly and there were multiple sentence fragments that didn't even make sense. If I could rate this with zero stars, I would.
