She Had Been Waiting...

For months clairvoyant Elizabeth Mallory had been tormented by visions of a desperate stranger. Now that man was here, on her isolated Georgia mountain. Wounded and on the run, he needed refuge. And Elizabeth needed him. Reece Landry, she sensed, was the answer to her lonely prayers.

Why, Reece wondered, wasn't this woman frightened by him—a hunted fugitive? Hell, he was afraid—of her, of how she made him feel.

Reece's hard-knocks life had taught him not to trust anyone. He knew he would be a fool to take a chance on Elizabeth—but a bigger fool if he didn't.

From the back...

For months clairvoyant Elizabeth Mallory had been tormented by visions of a desperate stranger. Now that the man was here, on her isolated Georgia mountain. Wounded and on the run, he needed refuge. And Elizabeth needed him. Reece Landry, she sensed, was the answer to her lonely prayers. Why, Reece wondered, wasn't this woman frightened by him--a hunted fugitive? Hell, he was afraid--of her, of how she made him feel. Reece's hard-knocks life had taught him not to trust anyone. He knew he would be a fool to take a chance on Elizabeth--but a bigger fool if he didn't.

In my Opinon...

We were first introduced to Elizabeth in 'Paladin's woman.' Elizabeth has special psychic abilities and lately has had visions of a man tormented and desperate. Elizabeth is not at all suprised when this man shows up at her doorstep. Elizabeth knows that she should be afraid of the wounded, escaped, hunted fugitive. However, Elizabeth believes in this strangers innocence and plans to do all that she can to help him. Reece cannot believe that this woman is unafraid of him and even willing to help him. He was convicted of murdering his father, but Reece is innocent and plans on finding the person who really killed him. Reece has a hard time trusting anyone, but Elizabeth really does not give him much choice. She steam rolls into his life and refuses to leave until she helps him uncover the real murderer. I usually don't like books with a psychic storyline, but I must admit that it was tastefully done in this story. I enjoyed reading about Elizabeth and Reece. I cannot

wait to read Sam's story (Elizabeth's brother). This was another great addition to The Protector series.

The Outcast

I have been a fan of Beverly Barton's for years. I have read just about all the books she has written, and am truly sorry that Ms.Barton passed. Her books are hard to put down once you start, and "The Outcast" was fast reading, but try some of her other books too.

The Outcast review from Joni

By Joni Zarko

I liked the story and the series of the Protectors. When you put together a psychic and a runaway killer with a large wolf dog as her pet. That makes a good story. And the love story of the unlikely couple plus her connection with her friend the detective to find the the real killer. It is a pretty good read.
