A Must Have Planning Tool

By Eric

Having personally used this DJ company for our wedding reception, we can attest that the advice in this book comes from a very credible source. With the help of Justin Miller and Master DJ & Visual Effects, we pulled off an unforgettable reception that our friends and family are still talking about.

This book will get you thinking about the ways you can achieve a show-shopping night of entertainment on the happiest day of your life. A must read for any couple wanting to dance the night away in style at their wedding reception!

A pitiful self serving plug - wanna be great? hire me, be like me

By soukouslover

Here's the summary of the book: I am a great DJ. If you want a great DJ, hire someone like me. What do I do to be great? Well, my company is awesome. Here is the URL. Oh, want a cool tip, hire this other company we own... why, because it's better than any other idea you might have.

Worst book on any subject ever!

Except for 2-3 obvious things, there is nothing here to be learned.
