TOMMY STORM AND THE GALACTIC KNIGHTS BY A. J. HEALY PDF

Earthling Tommy and his four Milky Way friends are Galactic Knights—on a mission to save the universe from impending destruction. Time is running out and the Galactic Knights have many challenges in their way: they face the dreaded Beast of Hellsbells, they must resist the allure of fame on an intergalactic gameshow, and they must escape the deadly intents of the sherbet-addicted Nack Jickelson and the Chocolate Terrorists. All the while evil mastermind A-Sad-Bin-Liner is planning to unleash his plot of mass destruction, forcing Tommy to choose between his friends and his ambition as well as between the universe and his own life.

Dark Yet Funny

By Helen T

This is a darker book than Tommy Storm. It's not as wacky (although it IS crazy - in a good way - in places), but it's more subtly satirical and in some ways scarier. I loved the cast of characters (Nack Jickelson, Max Bohr, the 'bi-polar bear', Uladrack... I could go on) that somehow gave this book an old fashioned character-driven feel. And I didn't know what was going to happen in the end which was unusual for these kind of books. Anyway, I loved it, loved the anguish that mirrored Tommy's adolescent pains and even shed a small tear at one point.
